Loss Prevention Program for Real Estate Appraisers

(OREA CE #10119C101)

presented by **Claudia Gagliani and Peter Christensen**

This 4-hour continuing education seminar addresses professional liability issues affecting residential and commercial real estate appraisers. The information is drawn from hundreds of real-life claims and lawsuits. You will receive specific instructions on how to minimize your risk of being sued and how to be prepared for it should it ever happen. In addition, you will receive a \$25 – 50 savings certificate to apply to your renewal of insurance through LIA on your \$300K - \$1 million policy!

UPCOMING COURSES:

February – **7 hour USPAP with Corina Rollins for \$155, includes the book and lunch!**
(similar offerings by others are \$210 - \$140 for the class, plus \$70 for the book, and NO lunch!)

March – **Architectural styles of the San Francisco Bay Area**

April – **Rent Surveys and Analysis**

May – **Appraisals and the IRS**

And more, including **Personal Property Appraisal, and Mixed Use Properties**
